

Student Scholarship Competition Announcement

Application Deadline: December 6, 2019

The Southern California CSCMP Roundtable is awarding several scholarships to students in the fields of logistics, manufacturing, supply chain, and analytics. The Dave Evans Memorial Scholarship (\$3,000) will be awarded to one distinguished undergraduate or graduate student. In addition, several scholarships of \$1,000 each are available. For either scholarship type, students must be attending a Southern California (community) college or university (Los Angeles, Orange, Riverside, San Bernardino or Ventura Counties). Students should be pursuing undergraduate or graduate studies in business, engineering, economics, or public policy, and have a demonstrated interest in a career in supply chain management, logistics, manufacturing, data analytics or a closely related field.

CSCMP will disburse the scholarship amounts directly to the winners' schools, for payment of the winners' educational expenses. Applicants who have previously received a scholarship award from the Southern California Roundtable are not eligible to apply. However, those who have received travel awards for the CSCMP EDGE Conference are still eligible. Applicants must be current CSCMP members.

To apply, please send the following three documents to the email address below:

- 1) Copy of professional resume
- 2) Letter of application
- 3) Letter of recommendation (forwarded directly by recommender)

The letter of recommendation should come from a faculty member or professional colleague familiar with your history, your academic career, or your career goals, who should comment on your academic performance and career potential in supply chain. The letter of recommendation must be forwarded directly by the recommender. The letter of application should be at most two pages and should provide evidence of your interest, suitability, and engagement in the supply chain field. Applicants should clearly identify their past involvement with CSCMP (e.g., events attended). Moreover, there should be a focus on how the applicant plans to achieve/further your career in supply chain. Lastly, you should describe how you will use the scholarship money in detail and how it fulfills a need. All materials must be received by December 6, 2019.

Send application materials to:

Dr. Gary M. Gaukler
Board Member, CSCMP SoCal Roundtable
Associate Professor, Drucker School of Management, Claremont Graduate University
Email: gary.gaukler@cgu.edu

Scholarship recipients will be recognized at the SoCal Roundtable annual scholarship event on January 16, 2020. Each recipient will be required to attend that event.

Founded in 1963, the Council of Supply Chain Management Professionals (www.cscmp.org) is the preeminent worldwide professional association dedicated to the advancement and dissemination of research and knowledge on supply chain management. With over 8,500 members representing nearly all industry sectors, government, and academia from 67 countries, CSCMP members are the leading practitioners and authorities in the fields of logistics and supply chain management.
